Feasibility Study 2021-04-30

1. **View from west, Scirocogatan:** Possible long distance visibility to the PaOP on top of Magasinet. Possibility to work with a logo placed on the frieze/bulkhead above the windows or inside the premises. Possibility to activate the rooftop terrace for commercial use.
2. **View from north, Planlavägen:** Possible long distance visibility to the PaOP on top of Magasinet. Possibility to work with a logo placed on the frieze/bulkhead above the windows/facade or inside the premises.
3. **View from east, Järlaleden:** It is possible to place a logo on the south-east facing facade of the SC.

Trade dress - Exterior facade
 Concept Design 2021-07-02, Updated 2021-08-20

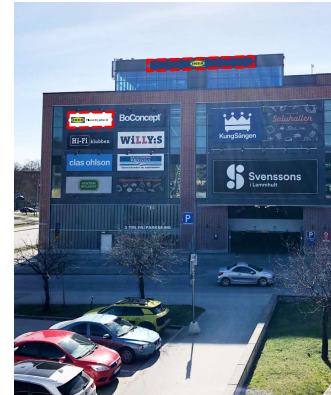

IKEA PaOP Sickla, Stockholm, Sweden

South facade towards the roundabout.

West facade towards the main entrance

North facade towards the P-house entrance-exit

Preliminary dimensions! Actual dimensions must be checked on site.

The logo and descriptive signature are mounted on a neutral white background (NCS 0500-N).

The logos on the dark grey bulkhead are to be lit.

The outdoor white background for logo and descriptive signature are made out of lacquered sheet metal front with foiled logo.
